

# CISC Parking Options

611 S Lane St

We are located at the corner of S Lane St and Maynard Ave S. Look for the large Cathay Bank sign on the corner. CISC is upstairs.

There are 5 parking spaces under the building. Pull into the lot with the big Cathay Bank sign on the corner. Go under the building. The first 5 spaces on the left are CISC's. Don't forget to give the receptionist your vehicle information or you may be ticketed or towed!.

There is *some* free parking around our building if you are lucky. Otherwise, the neighborhood is mostly 2 hour metered spaces.

If you are coming after 5:30, you may park in any space under the building. Just be sure that a staff member has the garage key if you will be staying past 8:00 pm!
